

India-Pakistan War 1965

By GD Bakshi

KW Publishers, New Delhi, India, 2015. Softcover. Book Condition: New. First Edition. The 1965 India-Pakistan War saw the Indian Armed Forces graduate from the tactical level of operations to the scale of Operational Art. Some 12 Divisions of the Indian Army and a little over half its Air Force saw live combat. The 1965 India- Pakistan War was a limited conflict, more in the tradition of what the Chinese call local wars under high-tech conditions. Actually the limitations in this war had emerged, not so much from intent but capacity constraints. How relevant are the lessons of this war to the South Asian context today? Now we have a nuclear backdrop which imposes severe constraints on the level and extent of force usage and the time duration of the conflict. That is precisely why the 1965 War model with its shallow penetrations , and overall an attrition oriented design, has remarkable levels of relevance for any future war that may break out between India and Pakistan in the years ahead. In 1965, India had very deliberately sought to bring to battle and destroy/degrade the Pakistani Armoured division on Pakistani soil. That may well turn out to be the model for...
