BRAND NEW, Reluctant Disciplinarian: Advice on Classroom Management from a Softy Who Became (Eventually) a Successful Teacher, Gary Rubinstein, Based on the author's disastrous first year of teaching - which began with no classroom-management skills - this humorous personal account offers clear and specific advice on how to become an adept classroom manager. Funny and practical, this new edition also continues the author's story, sharing what he has learned since leaving the teaching field for five years and then returning to the classroom.
