Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

SPENCER THE SPRING CHICKEN AND OTHER STORIES

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2009. Paperback. Book Condition: New. Rosita Schandy, Neal Wooten (illustrator). 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Spencer the Spring Chicken teaches children that giving provides more happiness than receiving. Spencer is a barnyard rooster who discovers a unique mode of transportation. He sets out to earn a fortune selling his invention but decides helping others is much more profitable than making money. As he helps others, he learns how caring about their needs makes him happy and helps him grow into a caring adult. He also wins the respect of his peers. Silly Earthworm carries the message of love as Silly sets out to provide safety for his family in spite of the discouragement and mockery of others. He demonstrates love as he welcomes his distracters into the safety he has made available for his family. Willie Chipmunk Meets Herman Airplane emphasizes the value of friendship. Together, Willie and Herman overcome their shyness. They are able to help their entire community find new homes and help them move. Children will learn the value of being nice to their friends and treating them with respect. Whistles, the Whistling Oak Tree teaches that the rewards are great when you are active and helping others. Whistles does this by instructing lost little Lazy Lamb how to help his family find food and water. Children of all ages will enjoy reading or listening to their parents read these stories. Families will treasure them for years to come because the messages they carry will be needed as much then as they are now. Readers age 8-11.
