John Wiley and Sons Ltd, United States, 1999. Hardback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. From the Reviews of the Previous Editions: .recommended as a readable reference to the large complex world of hazardous waste regulation. - Environmental Protection .presented in a very readable and understandable format. - The Hazardous Waste Consultant .a valuable reference tool because it is easy to use, and includes clear, concise discussions. - Bowker s Legal Publishing Review The transportation of hazardous materials and disposal have become immense environmental concerns. As a result a number of government agencies have constructed regulation for manufacturers to follow, which are often confusing and written in complex legal terminologies. This new edition of a successful publication is designed to help professionals from all disciplines understand the national hazardous waste regulatory program. Available in both print and CD-ROM formats, the work presents the often complex and hazy material in a straightforward and lucid manner.
