Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

Alex and Martin must recognize this, too, because their book is a generous offer of encouragement and spirit, a drum beat that stirred my creative confidence Zach Klein, co-founder of Vimeo.
