THE MULTIGENERATIONAL WORKPLACE: COMMUNICATE, COLLABORATE, AND CREATE COMMUNITY (PAPERBACK)

SAGE Publications Inc, United States, 2014. Paperback. Condition: New. New. Language: English . Brand New Book. Collaboration between professionals of all generations is an essential factor in school success. What do Boomers need from younger generations? What do GenXers and Millennials have to offer Boomers? Each generation wants to contribute and to feel empowered. The youngest generation wants an equal voice; Boomers want to leave a legacy; GenXers want to make a difference. This book, based on a very popular workshop that Abrams has presented across the U.S. and Canada, will address how all educators can look through a generational filter to be more effective communicators, teachers and administrators; to help retain those who may be more easily frustrated at their lack of immediate success; and to plan for succession by future generations of leaders. Concrete tools are key elements of the book, helping readers to define the generations and their needs, to identify themselves on the continuum, and to plan ways to bridge generational differences.
