AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Take heed America there are progressive changes happening you may not like. What follows is an examination of what has transpired in America throughout the last millennium and crossing into the new century. The author tackles sensitive issues in political America today, about which many people have expressed their anger, but have remained silent except in private circles. Solomon examines...
