

Agile: An Executive Guide (Paperback)

Filesize: 3 MB

Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

(Mr. Jeramy Leuschke IV)

IT Governance Publishing, United Kingdom, 2016. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book ***** Print on Demand *****.The true power of Agile methodologies is not technology; it is business value generation. Use Agile methodologies to turn your IT solution challenges into high business-value returns All too often, IT solutions are plagued by budget overruns, missed deadlines, low-quality outputs and dissatisfied users. Agile methodologies are proven, common-sense methods for substantially increasing the relevance, flexibility and bottom-line business value of your software solutions. Quantify and measure the benefits that Agile methodologies can deliver to your organisation. Agile methodologies, such as Scrum, DSDM, FDD, Lean, XP and Kanban, are proven approaches for applying the finite resources of an organisation to deliver high business-value software solutions on time and within allocated budgets. These methodologies protect organisations from wasting their IT budgets by replacing large upfront financial commitments with incremental investment based on the ongoing business value of delivered software. They encourage collaboration with key stakeholders, empower staff to regularly deliver bottom-line value, and ensure that IT solutions are responsive to ongoing organisational and market changes. Read this guide and . Understand the 10 core business benefits of Agile. At the heart of Agile methodologies are 10 core business benefits that enable organisations to maximise their IT investments, including: Better risk management, ongoing control of budget expenditure, better alignment with business requirements, and substantially higher quality IT solutions. Agile: An Executive Guide details each of these benefits from a strategic senior management perspective. Identify which Agile methodologies align with the specific needs of your organisation. Agile: An Executive Guide provides you with tools to assess your organisational culture, structure and dynamic in order to determine whether Agile methodologies are suitable to your specific needs, and to select those Agile methodologies...
