Is one of the few things that can relieve stress, calm the soul, and bring you joy. For years children have had all the fun when it comes to coloring books, but finally us adults can enjoy them too. You don't have to be an artist to be able to enjoy coloring books. Just find some crayons, colored pencils, markers, or whatever and just start to play. You can stay in the lines or color outside of them, it is up to you. There are no rules. It is all up to what you want to do. Celtic Dream is a series of four adult coloring books that are based on classic Celtic designs. There are 50 images per book that are all different and ready for you to add your own color to. Coloring can be an excellent stress reliever and these books are a wonderful place to start.
