COMPETING BY DESIGN: THE POWER OF ORGANIZATIONAL ARCHITECTURE

Oxford University Press, USA. Hardcover. Condition: New. 256 pages. If the defining goal of modern-day business can be isolated to just one item, it would be the search for competitive advantage. And, as everyone in business knows, its a lot harder than it used to be. On the one hand, competition is more intense than ever--technological innovation, consumer expectations, government deregulation, all combine to create more opportunities for new competitors to change the basic rules of the game. On the...
