CONCUSSION: A CLINICAL PROFILE APPROACH TO ASSESSMENT AND TREATMENT (HARDBACK)

American Psychological Association, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. Medical consensus once held that all concussions were the same, and treatment for all concussion patients therefore followed the same standard approach. In this volume, Anthony Kontos and Michael Collins debunk the one-size-fits-all approach, arguing instead that individuals who experience concussion respond best to targeted interventions based on their specific clinical profile of symptoms and impairment. In fact, the most commonly prescribed management strategy-rest-can actually...
