Lulu Publishing Services, 2014. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.James L. Capra, the former chief of operations for the Drug Enforcement Administration, captures the essence of leadership as he shares his personal story about a lifetime serving the public. Filled with real-life examples of leadership in action as well as lighthearted humor, he explores how some employees can love their profession but hate their respective organizations. He also delivers tips and strategies so you can: - transform your organization from good to great; - make a difference in the lives of others; - get the best out of your people; - maintain focus and accountability. There are no magical steps to take to become a great leader, only a genuine concern from the heart for the development and welfare of those you re entrusted to lead. While many books about leadership focus on theory, there is no substitute for learning from a warrior who placed himself in danger and earned everything he had by demonstrating Leadership at the Front Line.
