WITH A CHRONOLOGICAL TABLE A NEW EDITION. First published in 1788. PREFACE TO THE ORIGINAL EDITION: IN the following pages it has been the wish of the author to give the, most accurate and satisfactory account of all the proper names which occur in reading the Classics, and by a judicious collection of anecdotes and historical facts to draw a picture of ancient times, not less instructive than entertaining. Such a work, it is hoped, will not be deemed a useless acquisition in the hands of the public ; and while the student is initiated in the knowledge of history and mythology, and familiarized with the ancient situation and extent of kingdoms and cities that no longer exist, the man of letters may, perhaps, find it not a contemptible companion, from which he may receive information, and be made, a second time, acquainted with many important particulars which time, or more laborious occupations, may have erased from his memory. In the prosecution of his plan, the author has been obliged to tread in the steps of many learned men, whose studies have been directed, and not without success, to facilitate the attainment of classical knowledge, and of the ancient languages. Their compositions have been to him a source of information, and he trusts that their labours have now found new elucidation in his own, and that, by a due consideration of every subject, he has been enabled to imitate their excellences, without copying their faults. Many compositions of the same nature have issued from the press, but they are partial and unsatisfactory. The attempts to be concise, have rendered the labours of one barren and uninformative, while...
