It is a game. as in life. no matter what the role. have students also have grams. win or lose. so anyone gains and losses do not have to feel offended. overly concerned by the failure of people tend to lose more than less. do not mind gains and losses. often have little to lose much more. this not a profound philosophy? The scientists based on game theory. the optimal play of this game is actually random selection of punches. but who can really random moves it? Therefore. if the use of non-randomness moves of the opponent. often wins more than defeat. This gives us inspiration: life. free to be good. Each book with rock paper scissors looked parable. I found that the competition is not what parable able to break through its profound connotation.
