Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a must read for anyone looking to get an insight on Buddhism. It covers all aspects of Buddhism and defines what it is in such a way that everyone can understand it. Despite Buddhism being one of the oldest religions in the world, there are many people who still do not understand it. In fact, they misinterpret the teachings so much because they only know what they see in television and movies. These depictions of Buddhism are often wrong and send out the wrong message of what Buddhism actually teaches. In a nutshell, it teaches that suffering is bad, but it is also guaranteed in our physical world. It doesn't matter how rich or poor a person is because they will eventually endure suffering in their life. However, the state of mind you carry with you determines the amount of suffering you will endure. That is where the teachings of Buddha come into play. He will show you that refraining from cheating, lying, sexual misconduct, killing and intoxication are the key ways to overcome suffering upon yourself and others. Buddhism was created by a young prince named Siddhartha Gautama, who later became known as Buddha. He is the central figure of this book because he was the one who created the Buddhist religion in the first place. Even to this day, Buddha is celebrated all over eastern society with big statues in his honor. Despite how godly they make Buddha out to be, he was still just a man. In fact, he was a prince who left his throne and wealth in order to become a wandering preacher that spread his teachings on ending...
