PHONICS IN SONG (PAPERBACK)

Mott Media (MI), United Kingdom, 1993. Paperback. Condition: New. Language: English . Brand New Book. This resource adds a musical element to teaching phonics. It is a teaching tool to help children learn to identify letters and their sounds. All the songs are simple, mainly two stanzas, in easy to sing or play melodies. Each lesson shows the child what the letter in the lesson looks like, prints the sheet music and lyrics of a simple song using the letter, includes appropriate illustrations and can include written directions for the teacher. The songs printed in this book are also available on a CD which can be useful for parents who do not play a musical instrument or who would like to work with their child while driving.
