Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I helped make your advisor s Sales Hype Do you need your advisor to succeed with investments? Do you think your advisor s strategy can beat a market index fund? Do you know how many sales your advisor must make to keep their job? What is your actual total return with all costs included? Why do many Wall Street firm owners use index funds? Most wealthy people can answer these questions. Can you? Today, the information to answer these questions is easily available but only savvy shoppers have used it to succeed. They realize that the retail financial industry is extremely profitable because the sales hype works even better than it used to work. We have learned how to manipulate behavior better. Our margins are 29 . The \$1.3 Trillion per year revenues come from YOU. I used to work for a few firms. I helped create some of the hype that our sales people used to separate you from your money or your potential future earnings. A plain market index fund beat 92-95 of the returns of our professional managers so we steer you away from them. However, we still get most investors to pay even for poor results. It is marketing, sales and misleading hype! Why should you give up your advisor? You may be giving up 63 of your total potential value. It is easy to do better on your own. Do you really think an expert at selling knows anything about what will happen to a security or the market in the next hour, week or year? Before I show you how to invest for your success, I think it is time you understood the marketing and sales...
