

The Gospel of the Kingdom: Revealing the Heart of God (Paperback)

By Eng Hoe Lim

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Christina Tan (illustrator). Language: English . Brand New Book ***** Print on Demand *****. What good news do we have for the poor? Have I misunderstood the Gospel? These were burning questions for the author as he was repeatedly confronted with extreme poverty in his work of bringing relief supplies to the poor in crisis prone nations around the world. Those questions started him off on a re-reading of the Bible that rocked and overturned his boat and led to a massive paradigm shift in his understanding of the Gospel - from the Gospel of salvation as most Christians know it, to the Gospel of the Kingdom. From that shift, came a fresh out of the box understanding of church, of spirituality, of ministry and of the role and mission God intends for His church to the world. Although written in simple narrative style and kept short and concise for the ordinary church-goer, this book may yet challenge some theological minds on the most basic questions of why God created us and put us on this planet. It may possibly even question your salvation too! Get ready to be rocked...
