FRANZ KAFKA: METAMORPHOSIS (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Written by Franz Kafka and often considered to be his magnum opus, *The Metamorphosis* tells the story of one young traveling salesman, Gregor Samsa, who inexplicably wakes up as a giant insect. Despite the novella's short length, Franz Kafka manages to provide a deep insight into the human condition, ironically through the eyes of a cockroach. Though *The Metamorphosis* can seem depressing at times, the overall message is quite hopeful. The novel keeps its reader enthralled with a good balance of absurdist and realist elements. *The Metamorphosis* is so much more than a story about a man turning into a beetle. It is about the reaction of Gregor Samsa's family to the change, plus a clever way of writing about how a family would deal with the main breadwinner in the house becoming unable to work, and, on a wider scope, the way a family reacts to someone who is disabled or terminally ill. The descriptive writing in *The Metamorphosis* is excellent, and though it is quite a sad tale, it is also very funny in parts-enough to make readers laugh out loud. Though written nearly 100 years ago, *The Metamorphosis* is amazingly relevant to today's world, and remains a great read.
