FREEDOM FROM WORRY: PRAYER OF PEACE FOR AN ANXIOUS MIND (PAPERBACK)

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Before 2007 Karen was your typical working mom who worried, every now and then, about the fight she had with her husband last night, who her teenager was hanging out with or the next big business deal but the stock market bubble bursting changed all that. Seemingly overnight her mind was flooded with fears and worries about the loss of over 70 of their household income, the loss of millions of dollars in client s investments and the daunting question of why hadn t she listened to God s call sooner. Her tried and true recitation of Philippians 4:6-7 was completely ineffective by the magnitude of fears she faced. It was during this time that Karen discovered how to fully use the Word of God to truly transform her anxious mind. You are sure to find Freedom from Worry a powerful tool for eliminating the Battle of the Mind, more practical to our world today than the Prayer of Jabez and a prayer that adds the much needed daily intention to The Purpose Drive Life. Karen understands what it means to have worries, and she also understands the spiritual keys that unlock the door to freedom. Let her coach you through the process of eliminating your anxieties so you can move forward with confidence and purpose.
