Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Combined. Language: English . Brand New Book ***** Print on Demand *****.Want to learn how to gain muscle fast .even if you ve failed in the past? You CAN if you use the right strength training exercises, the correct sustainable nutritional approach, and back it all up with consistency. How To Gain Muscle is a special combo of three top-selling books in one written by online personal training and nutrition coach, and health and fitness author, Marc McLean. With almost two decades worth of experience in strength training and owner of Weight Training Is The Way, Marc can show you how to build muscle mass and develop a lean, awesome body to be proud of. Three of his popular books have been compiled into this single special edition title as a comprehensive guide to weight training in the gym, good nutrition out of it, and how to achieve your health and fitness goals. The books are: - Strength Training Program 101: Build Muscle Burn Fat.In Less Than 3 Hours Per Week; - Strength Training Nutrition 101: Build Muscle Burn Fat Easily.A Healthy Way Of Eating You Can Actually Maintain; - Meal Prep Recipe Book: 50 Simple Recipes For Health Fitness Nuts. The first book is the ultimate guide to the most effective strength training exercises.the best barbell and dumbbell exercises are all here. Best of all, they re backed with the author s top training strategies and tips for delivering best results. Unlike other gym books that simply display a handful of strength training workouts, this one also shows you how to create your own training programs easily. Book two is a sensible, manageable nutrition guide for men and women who lift weights (or others who generally want to improve their diet...
