Because God wanted me to witness to you and those who feel that God is not the same as he was in the Bible days. To those who may be growing weary in waiting on God and thinking that maybe God is not going to do it for me like he did it for others; maybe it s just my dream. You may be feeling like I am going to go to my grave with all these gifts inside of me. God told me to write and prove to you that you will live until God s will for your life is complete, that you are never too old for God to use you, to heal you, to raise you up and manifest himself in your life. Get up from that down position in your mind and spirit, speak to yourself and say I shall live. I shall not die until God brings his will forth in my life. The devil is a liar and a loser-I shall live and have life more abundantly; that is God s will for my life. God bless you all, my brothers and sisters in the Lord and even those of you reading this testimony and have never believed in God. May you live long enough to see God work a miracle in your life. O death, where is thy sting? O grave, where is thy victory? (1 Corinthians 15:55).
