I SPY : A HISTORY AND EPISODE GUIDE TO THE GROUNDBREAKING TELEVISION SERIES

[DOWNLOAD PDF](#)

McFarland Publishing . Book Condition: BRAND NEW. BRAND NEW Laminated Softcover - 452pp - One of the most popular and award-winning television series of the sixties, I Spy was the first weekly broadcast to star both a white and a black actor. In 1964, though, producer Sheldon Leonard had, with heavy risk, financed the show himself and his idea for a racially incorporated cast had earned his show the moniker "Sheldons Folley." Pairing established white actor Robert Culp with Bill Cosby, a black comedian with barely an acting credit to his name, certainly turned some heads at NBC, and many wondered whether affiliates in the South would ever air the show. Only two years later, Cosby accepted the Emmy for leading actor and I Spy cemented its role in history. This is a complete history of I Spy and the profound change it evoked in broadcasting, social ideals and racial equality. Rich with interviews and photographs, it discusses I Spys unique approach to race, co-starring interracial actors as equals. It also describes how the show became the template for popular "buddy genre" shows and films that followed, covers the shows significance as the first series to shoot episodes around the world, and puts I Spy in context with other works within the spy genre at a time when spy books, shows and films exploded in popularity. A complete episode guide includes writers, directors, cast, crew, plot synopsis and commentary A Brand New Quality Book from a Full-Time Bookshop in business since 1992!.
