This piece of work was well structured and set out. Reference Article: Flyvbjerg, B., Holm, M. S. & Buhl, S. (2002) Underestimating Costs in Public Works Projects: Error or Lie Journal of the American Planning Association, 68, (3), 279-295, abstract: The debate about whether project costs or time often exceed forecasts has been framed as a research topic and investigated in different scales, methods and locations. The study of Flyvbjerg et al (2002) suggest that project sponsors are lying with their original estimates to ensure funding for their projects. However, other project management theories, such as Turner's Five Core Functions, the MacLeamy curve and the McKinsey 7S framework,...
