MY JOURNEY TO DELPHI: HOW I CAME TO WRITE THE DELPHI TRILOGY (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Little did Frank D. Iannella realize what a bizarre and sometimes threatening journey he was about to undertake when he accepted a teaching position in Florence, Italy, that unexpectedly led him to Delphi, Greece. Once there, the author recalls how an encounter with the mysteries of the Oracle and reincarnation led him to an epiphany that changed his perception of reality and ultimately inspired him to write his Delphi Trilogy. This book also provides the reader with a deeper understanding of the entire three-volume work. My Journey to Delphi: How I Came to Write the Delphi Trilogy, is a gripping true-life adventure in its own right full of obstacles, dangers, and mysticism. PROLOGUE It was never my intention to visit Delphi, let alone stay there for any length of time. I had been hired to teach at a prep school in Florence, Italy which turned out to be a fraudulent enterprise and very bizarre to boot. Thankfully the school came to an abrupt end three months after I arrived. After helping to close it, I decided to go to Troy since I was more than half way there already. It had always been my boyhood dream to see the walls of Troy. Never did I think of going to Delphi. Yet once I set foot in the place, I knew this was where I had been guided to all the while, despite all the strange and difficult obstacles along the way. This is my story and how my perspective on reality was dramatically altered because of Delphi.
