Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Shakspeare, Goethe, and Schiller Illustrated: In a Series of Sixty-Seven Plates It would have been a glorious triumph for the artist if the 17 designs composing this collection could have been given without explanations, and if in each of them the feeling, which is extended through the whole of the subject could have been readily discovered but this difficulty is too great entirely to overcome. However the affixed plate must perhaps be considered as an expressive and ingenious introduction to the forth-coming, since the fratricide and the manner in which the murder was perpetrated form its subject.
