

Strategic Intent (Paperback)

Filesize: 8.67 MB

Reviews

This pdf is so gripping and fascinating. It really is rally intriguing throgh looking at period of time. I am pleased to tell you that this is basically the very best publication we have go through within my personal lifestyle and might be he very best ebook for ever.
(Eleonore Muller DVM)

STRATEGIC INTENT (PAPERBACK)

Harvard Business Review Press, United States, 2010. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. In this McKinsey Award-winning article, first published in May 1989, Gary Hamel and C.K. Prahalad explain that Western companies have wasted too much time and energy replicating the cost and quality advantages their global competitors already experience. Canon and other world-class competitors have taken a different approach to strategy: one of strategic intent. They begin with a goal that exceeds the company's present grasp and existing resources: Beat Xerox ; encircle Caterpillar. Then they rally the organization to close the gap by setting challenges that focus employees efforts in the near to medium term: Build a personal copier to sell for \$1,000 ; cut product development time by 75 . Year after year, they emphasize competitive innovation--building a portfolio of competitive advantages; searching markets for loose bricks that rivals have left undefended; changing the terms of competitive engagement to avoid playing by the leader's rules. The result is a global leadership position and an approach to competition that has reduced larger, stronger Western rivals to playing an endless game of catch-up.
