Her overzealous attempt to secure her dream house has strained her marriage. She s repeatedly reprimanded for eye rolling in faculty meetings. Petulant PTA parents want to drag her into a war over teaching children to tie their shoes. And an alarmingly persistent salesman keeps warning her of the potential dangers of home intrusion. Clearly she needs to get away. But Russia? Forced to join an academic mission to Saint Petersburg to promote international cooperation, Ingrid finds herself at a crossroads while drinking too much cough syrup. Will this trip push her into a Siberian sinkhole of existential dread or finally give her life some balance and direction?.
