CanyonWalker Press, 2014. Paperback. Condition: New. Revised with Index, Revised Co ed.. Language: English . Brand New Book ***** Print on Demand *****.In 2001, Kathy Baldock, a straight conservative evangelical Christian, met Netto Montoya, a lesbian Native American, on a local hiking trail near her home in the Sierra Nevada. Their developing friendship challenged Baldock's cultural and religious beliefs about gay, lesbian, bisexual, and transgender people. In *Walking the Bridgeless Canyon: Repairing the Breach Between the Church and the LGBT Community*, Baldock constructs a narrative timeline, including fascinating stories and personal testimonies, detailing the historical and current social, medical, cultural, and religious discrimination which have impacted the gay and transgender communities, with particular focus on the intersection of the conservative political and religious right beginning in the late 1970s. Baldock examines the layers through which people often view the gay and transgender communities. Topics covered include the cultural history of human sexuality, same-sex behavior and homosexuality, as well as the reason homosexuality has been seen as a mental illness, the subsequent evolution, impact, and decline of conversion reparative therapy ideology, the beginnings of the HIV virus in Africa in 1921 and its eventual spread to America, the science of sex, gender, and sexual orientation, a critical analysis of biblical passages on same-sex behavior, the social history of marriage and a biblical case for LGBT marriage, the start of the gay activist and gay Christian movements, stories of LGBT Christian youth and parents, and finally, ways in which allies and advocates might engage in productive dialogue for inclusion. *Walking the Bridgeless Canyon* is relevant for several target audiences: those who are striving to understand how the LGBT community has become a target of cultural and religious discrimination, students of civil rights, and social and political history, conservative Christians seeking to...
