COMMUNITY 17: A DYSTOPIAN NOVELLA (PAPERBACK)

James Cardona, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A heartrending, dystopian tale of choices and control from the multi-award winning science fiction author of *Under The Shadow Of Darkness*. Living in Community 17, Isaías is exposed to a constant push-pull struggle. He wants to escape the fetid slum lanes by becoming a citizen--if he can only pass programming. He has a dream: a small home in the city, married to Jessica, surrounded by his children at his knees. Is that life even in his grasp? A dystopian tale that sizzles, sparkles and pops with energy, ingenuity, imagination, and a wonderfully heightened sense of adventure. You won't want to put it down until the dramatic ending. In Community 17, all is not what it seems. Woe to any pleb found associating with the free thinkers for those taken to harmonization are never seen again. The free thinkers desire to upend society and stop the foul and inhumane treatment of plebs by alerting citizens to their plight through violent insurrection. They engage Isaías to that aim. The reward for successfully carrying out a mission is Shambala, a place where one can think freely. But is Shambala the paradise every pleb says it is? Jessica, Isaías's best friend, wants to program, become a citizen and escape Community 17. Can Jessica share her feelings with Isaías and risk their friendship? Can she allow herself to love a man that might remain a pleb forever? A tale of a controlling society and the fatal choice to join it or fight against its atrocities, Community 17 is sure to delight fans of dystopian, romance drama.
