BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 32 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. The U. S. Constitution, in Article I, Section 6, authorizes compensation for Members of Congress ascertained by law, and paid out of the Treasury of the United States. Throughout American history, Congress has relied on three different methods in adjusting salaries for Members. Stand-alone legislation was last used to provide increases in 1990 and 1991. It was the only method used by Congress for many years. The second method, under which annual adjustments took effect automatically unless disapproved by Congress, was established in 1975. From 1975 to 1989, these annual adjustments were based on the rate of annual comparability increases given to the General Schedule federal employees. This method was changed by the 1989 Ethics Act to require that the annual adjustment be determined by a formula based on certain elements of the Employment Cost Index. Under this revised process, annual adjustments were accepted 13 times (scheduled for January 1991, 1992, 1993, 1998, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2008, and 2009) and denied eight times (scheduled for January 1994, 1995, 1996, 1997, 1999, 2007, 2010, and 2011). In the 112th Congress, numerous bills have been introduced to alter this procedure (S. 133, S. 148, H. R. 235, H. R. 246, . . . This item ships from La Vergne, TN. Paperback.
