

Essentials of Management Information Systems with MyMISLab

Filesize: 7 MB

Reviews

This pdf might be really worth a go through, and far better than other. It can be packed with wisdom and knowledge. It's been written in an exceedingly straightforward way and is particularly only soon after I finished reading through this pdf by which basically changed me, modify the way in my opinion.

The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. This edition gives An in-depth look at how today's businesses use information technologies. Many businesses look for candidates who know how to use information systems, making a general understanding of information systems an asset to any business student. Laudon and Laudon continue to define the MIS course for all business majors by emphasizing how business objectives shape the application of new information systems and technologies. The ninth edition focuses on currency and cutting-edge topics. Englisch.
