Holly Maguires grandmother Camilla was the Love Goddess of Blue Crab Island, Maine--a Milanese fortune-teller who could predict the right man for you, and whose Italian cooking was rumored to save marriages. Holly has been waiting years for her unlikely fortune: her true love will like sa cordula, an unappetizing old-world delicacy. But Holly cant make a decent marinara sauce, let alone sa cordula. Maybe thats why the man she hopes to marry breaks her heart. So when Holly inherits Camillas Cucinotta, shes determined to forget about fortunes and love and become an Italian cooking teacher worthy of her grandmothers legacy. But Hollys four students are seeking much more than how to make Camillas chicken alla Milanese. Simon, a single father, hopes to cook his way back into his daughters heart. Juliet, Hollys childhood friend, hides a painful secret. Tamara, a serial dater, cant find the love she longs for. And twelve-year-old Mia thinks learning to cook will stop her dad, Liam, from marrying his phony lasagna-queen girlfriend. As the class gathers each week, adding Camillas essential ingredients of wishes and memories in every pot and pan, unexpected friendships and romances are formed--and tested. Especially when Holly falls hard for Liam . . . and learns a thing or two about finding her own recipe for happiness. This item ships from multiple locations.
