Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Thessalonique au Quatrozieme Siecle Ce qu'il importe de signaler plutot, c'est la nouveauté des recherches qui ont fourni la matière de ce livre. Entre tant de choses que nous connaissons mal encore dans l'histoire de Byzance, une des plus ignorées à coup sûr est l'étude des institutions municipales, des luttes de classes qui agiterent les cités sur tout cela l'histoire de la commune de Thessalonique nous apporte des informations aussi intéressantes que peu connues. Elle nous laisse entrevoir, comme en un raccourci, toute une série de phénomènes qu'on vit se produire dans l'empire grec tout entier, mais qui apparaissent ici avec un relief tragique. Jours révolutionnaires, pleines de terreur et de sang, luttes civiles, où les partis s'affrontent, la menace à la bouche ou le glaive au poing, passions anticléricales ardentes, projet de réformes sociales où le salut public inspire souvent et couvre les pires injustices, rien ne manque à l'intérêt de cette histoire pittoresque et colorée. Et sans doute ce mouvement populaire et démocratique nous est principalement connu par le témoignage de ceux qui en furent les adversaires ou les victimes pourtant, sous leur plume même, apparaît quelque chose des intentions, souvent louables, qui animaient les amis du peuple (c'est le sens du mot Zéloles, tant qu'ils ne se laisserent point déborder par la foule sanguinaire et féroce de leurs partisans. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
