ADELE: THE BIOGRAPHY

[DOWNLOAD](#)

Overlook Press, United States, 2012. Paperback. Book Condition: New. 201 x 135 mm. Language: English . Brand New Book. In Adele, veteran celebrity biographer Chas Newkey-Burden traces her story from her childhood in London, where she began singing at the age of four. During her teenage years she wrote her own music and attended the BRIT school, alongside the likes of Leona Lewis. After posting demos on her MySpace webpage, she earned a record deal and quickly captured hearts. Adele remains an unlikely icon. Her looks are unusual in a formulaic world of celebrity image, she suffers badly with pre-stage nerves, and she once canceled a crucial promotional trip to the U.S. because she felt too down to travel. This is a full, unflinching portrait of a genuine talent and inspiring, uncompromising woman the curvy girl next door who conquered the world.
