

Moon of Israel: A Tale of the Exodus

Filesize: 3.35 MB

Reviews

An exceptional ebook along with the typeface utilized was fascinating to read through. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this publication.

Borgo Press, United States, 2002. Paperback. Book Condition: New. 230 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.Moon of Israel (1918) was one of the earliest Haggard books to be filmed (in 1924, as a silent movie directed by Michael Curtiz). The movie adaptation has been released both as Moon of Israel and The Slave Queen. Interestingly, Paramount bought the original film and suppressed it so it wouldn't complete with the release of DeMille's original silent version of The Ten Commandments. As a book, it is an exceptional retelling of the Biblical story of the Exodus. I'm certain most modern readers will be familiar with the original story. By selecting an unlikely viewpoint character?the scribe Ana?Haggard provides a down-to-earth narrator for a story of fantastic proportion. The novel was first serialized in The Cornhill Magazine from January through October in 1918 and released in book form in October 1918. Author and critic Jessica Amanda Salmonson has called Moon of Israel ?a beautifully written Jewish legend, ? and adds, ?Haggard was pro-Zionist advocating a Jewish homeland in Palestine as early as 1915.
