M. M. Dos Santos, Canada, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Armageddon has come and gone. Wickedness reigns. There is no hope here. This is The Eighth day. Lili walks a fine line between what's real and what's not. Her religious parents try to fix her disturbing fantasies with prayers and scriptures. But Lili isn't suffering from fantasies, and her family isn't going to be able to save her as she fights for her sanity and for her life. The whispers are real, the nightmares are more than what they seem, and The Being waiting in the shadows wants to pull her into the darkness forever. But reality is much more sinister than any of her nightmares. Lili isn't the only one who hears whispers in the dark. Her parents pray to a god who has abandoned them. The demons do not live in the bible, nor do they hide in the shadows any longer. They are in minds of men. Whispering in their ears, a part of their very souls. The whispers become louder, the nightmares bleed into reality, and this presence refuses to be ignored. A twisted and disturbing journey through the dark side of humanity, *The Eighth Day (Vol.1)* is an epic tale of extreme horror that will terrorize your waking thoughts and haunt your dreams long after you've turned your last page.
