

A Little Book about an Online Middle and High School: 21century.Education (Paperback)

By Steve McCrea

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Read carefully the statement that we got from High Tech High School: -Students should gain strong experience in and understanding of all aspects of an industry, including Finance, Planning, Management, Underlying principles of technology, Labor Issues, Community issues, Health and safety issues, and Environmental issues as they pertain to that industry.- That is the core of the school. The reason you are building a portfolio is for you to develop a deep understanding of an industry. That will make you ready for the marketplace. Congratulations! You now have more information about the school and its curriculum. That s the purpose of this little book: I need to tell you what you would be creating during the time you are studying at 21Century.Education. Your work will speak about the quality of your education.

Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
