COLOR COUNT AND DISCOVER COLORING BOOK: CMY COLOR WHEEL FUN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. This Color Count and Discover coloring book is a perfect side-by-side companion to the main Color Count and Discover lesson book, but it can also be a stand-alone coloring book. All fourteen wacky characters from the Color Count and Discover CMY lesson book are assembled here to color - alongside color wheels for some extra color fun. The CMY color system - with Cyan Magenta and Yellow as primary colors - can be used in a fun and practical way - or children can simply choose their own colors and disregard the lesson component. The main book in print or Kindle format and the coordinating coloring book make a super gift pair. Take your crayons for a run! The CMY system is a good color system to teach to young children, as it is used extensively in our modern world of commercial printing, paint mixes and inks for desktop printers. There are additional fun products and teaching materials - like posters and art aprons - that feature the little characters in the rhymes. All make great gifts and learning aids.
