Condition is new, has only light shelf wear, otherwise looks new. WRAPPED IN A PLASTIC BAG TO PROTECT CONDITION OF BOOK. We have other titles in this genre in stock and give discounts in shipping on additional books sent in the same package. .Summary - Five years ago Kay Clark and Sullivan Ward were Denver's hottest radio duo-both on and off the air. But when Kay left the city-and Sullivan- to work in LA, their untried romance fell apart. Then Kay returned to Denver: older, wiser and still very much in love with her former partner. Sullivan tried to deny his need for her, but he knew they were a winning combination. The old electric magic was back, and not just in the control room. The sizzling repartee that kept the public listening was even more effective in private. When Sullivan talked, Kay could stay tuned in forever. Tyrants rise and fall. But the undead armies of the night are eternal.

Reviews

It is just one of the most popular ebook. It usually fails to price an excessive amount of You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

-- **Matteo Torp**

These types of publication is the best book available. it absolutely was written very completely and helpful. I am very happy to explain how here is the greatest book we have study within my individual existence and can be the greatest publication for possibly.
