

Quality Management and Qualification Needs 1: Quality and Personnel Concepts of Smes in Europe

By Hans J. Zaremba

Physica-Verlag. Paperback. Book Condition: New. Paperback. 349 pages. Dimensions: 9.2in. x 6.1in. x 0.8in. A research network has examined how quality management is implemented in small and medium sized enterprises (SMEs) in Germany, Finland, Greece, Ireland, Portugal, Sweden and the United Kingdom. The research has taken place within the framework of the Leonardo Da Vinci programme. Managers of SMEs in the metalworking and food processing industries were asked what the consequences of the implementation of quality management were for the qualification needs of employees. This book presents the survey results as two sector studies. Analysed are competitive and specialisation tendencies of the sectors and company concepts of Quality and Personnel including current profiles of quality-related skill demands on staff as well as current training areas in the companies. Special objectives are: Anticipation of qualification needs for preventive vocational training strategies; Documentation of good practice and typical barriers as support for practitioners within SMEs and training bodies. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
