SURVIVING THE 21ST CENTURY

Springer. Hardcover. Condition: New. This book explores the central question facing humanity today: how can we best survive the ten great existential challenges that are now coming together to confront us. Besides describing these challenges from the latest scientific perspectives, it also outlines and integrates the solutions, both at global and individual level and concludes optimistically. This book brings together in one easy-to-read work the principal issues facing humanity. It is written for the two next generations who will have...
