

Psyneumatics A Theological Anthropology

By Dr Kent Young

Xlibris. Paperback. Condition: New. 160 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Since the beginning of time mankind has sought to explain his own existence, thoughts, feelings and behaviors. In Psyneumatics Dr. Young adds his voice to this historical debate by offering a new and innovative approach to the study of human nature. Building on the foundation of a Judeo-Christian world view Psyneumatics develops a model of theological anthropology that is universal in its application. Psyneumatics utilizes three fundamental principles and thirteen clarifying propositions to construct a systematic theological anthropology that is comprehensive in its scope, covering the structure and development of personality, the origin of evil and principles that govern human interaction. PSYNEUMATICS: A BRIEF SYNOPSIS Psyneumatics is an original theological anthropology. Based on a Judeo-Christian world view, this theory is comprised of three basic principles and thirteen clarifying propositions. Together these principles and propositions explain both that which all humans have in common as creatures created in the image of God and those factors which contribute to the unique individuality of every human being. Psyneumatics is centered in a belief that God created mankind as a trichotomous creature (having a nature composed of three parts: body, soul and spirit)....
