Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the likes of frontier legend, Davy Crockett or Ruby Elzy, African American opera singer to Gladys Presley, mother of Rock-n-Roll s legendary King, Elvis Presley, the Mississippi hills of The Wilderness have stories of grandeur to tell. It s a place of new beginnings and heartbreaking endings. A place where battles and bloodshed have weaved a history destined to be retold. And beneath the graves of many left behind lies the bodies of restless spirits who still roam the streets, trapped by the memories of another time. A time in 1836 when The Wilderness was given a new name. Explore the haunting tales of ghosts and paranormal phenomena in this second volume in the series. Experience the terror of The Devil s Den, a place where even the skeptics cannot deny its malevolent force. A haunted history series that s certain to delight ghost lovers and history geeks! Note from Sydney This haunted history series is a narrative based on actual research and personal testimonies. Months are spent interviewing witnesses, researching locations, and visiting haunted sites. I hope you enjoy the series as much as I have enjoyed the research. After more than twenty-five years of studying the paranormal, I still find stories that leave me utterly aghast.
