Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What would you do if you received an invitation to join the King of kings at a feast? Would you drop everything you were doing and, without hesitation, run to the banquet table? Or would you hesitate, arguing you were either too busy or too tired or too full to receive from the King's hand? These are just a few of the soul-searching questions the characters in this story have to struggle to answer. The Invitation is a delightful and spiritually moving story that reveals the Father-heart of God. Because of its fairy-tale quality, the message of salvation and commitment are non-confrontational. This play version of the book is an excellent resource for youth and church groups who are looking for a way to extend God's invitation for salvation. The user-friendly format can be performed with or without costumes and scenery and with a limited amount of players. The message is also easily understood and is appropriate for all ages.
