An Army Of Women - Gender And Politics In Gilded Age Kansas

By GOLDBERG, Michael Lewis

U.S / John Hopkins University Press, 1997. Hardcover. Condition: New. As early as 1856, the women of Kansas knew the value of bold political statements. That year, 12 Lawrence women brandishing hatchets, axes and other implements attacked a log-cabin saloon and proceeded to dispose of "every drop of liquor they could find". In the decades that followed, Kansans witnessed the first state-wide suffrage campaign (it failed) and the first constitutional prohibition against alcohol (it succeeded). By 1887, Gilded Age Kansas had become home to reformers and agitators of all kinds and was dubbed the "great experimental ground of the nation". Looking at both private and public lives of women and men in rural and urban Kansas, the author offers sweeping evidence of the role of gender in Gilded Age American politics. Illustrated with photography. A 1st edition, with its dustwrapper in new condition. (313 pages).
