Reviews

Undoubtedly, this is actually the greatest job by any author. This can be for those who statte there was not a worthy of studying. I am delighted to inform you that this is actually the greatest publication i actually have read within my very own daily life and could be he greatest book for ever.

(Perry Reinger)

DESPERATE MEASURES THE ALPHABET MEN

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Alphabet Men is the first book in the Desperate Measures series: a hard look into a not-so distant future, where the consequences for today s apathy are explored and exposed. Loosely tied to the highly acclaimed Desperate Times series, this is a stand-alone work that combines all of the elements desperate readers have come to expect, while shedding light on one of the most explosive issues of our time. When natural gas is discovered hiding deep beneath Paul Hovey s cornfields, the aging farmer is flooded with requests to lease his land to allow drilling. Hovey refuses. He is alone in the world and the money means nothing to him. The farm has been in the Hovey family for generations, the only life he has ever known. The State of Minnesota soon steps in and uses their power of eminent domain to forcibly evict him. Hovey s best friend is Sheriff Mike Brannon, and it is Brannon who is forced to deliver the bad news. Hovey vows to fight his eviction and Brannon takes it upon himself to call a mutual friend, Ken Dahlgren. Dahlgren promises to be there as soon as he can. Brannon eventually leaves the farm and drives back to Alvine, the small farming community he has been elected to protect. Brannon is shocked to find his little town being overrun by thundering herds of semi-trucks. Those trucks are pulling tanker-trailers to haul the (controversial) fluid necessary for the drilling operation. Furthermore, Brannon quickly discovers that another group has descended upon his peaceful refuge. Brannon meets Travis Meeker, the leader of a protest group that is dead-set against the practice of hydraulic fracturing, (which...
