

Collaborative Leadership for Classroom and School (Paperback)

By Don Broadwell

iUniverse, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Today's globalized economy depends on the dissemination of knowledge rather than the manufacture of goods and the provision of services. This alone calls for new models of classroom leading to prepare children for an interactive future. Moreover, students are better equipped to interact with their teachers than ever before, and they get frustrated when they can't participate in decision making. As psychologist William Glasser writes, -Boss management fails because it limits both the quality of the work and the production of the (student) worker. Its use actually causes most of the discipline problems we are trying to prevent.- Don Broadwell, a former Marine, college instructor, and leadership expert offers a blueprint that will help teachers and students become more successful. Learn how to: discern the differences between collaborative leading and top-down leading; create your own leader style. One size does not fit all. make leading exciting for students; and turn leading a classroom into a pulsating, stress-free activity. From the evolution of leadership thinking from Lao Tzu in ancient times, through the 1990s and the Human Potential Movement to the present..
