Abela Publishing, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Michael and Black are settling down for a BBQ and for an evening under the stars when they hear the sound of Mr. Lion roaring, advertising that he has a feast and inviting other animals to come to his party. Then one by one the other animals respond as they accept his invitation. As the animals travel through the bush they call and Michael and Black enjoy the magic of the night sounds, especially Michael s favourite animal in all the world. RITA HAYWARD grew up in South Africa and currently resides in New Zealand. A large part of her passion for conservation is to help young children to become passionate about it too. The books she writes are for the very young, to encourage them to learn about wild animals and to use their imaginations for what may be possible in their own lives. This is the second book in the Michael and Black series after Michael and Black Walk on the Wild Side. Look out for Michael and Black Go Fishing, which will hopefully be out soon, where they see all the reptiles in the river. 10 of the net profit from the sale of this book will be donated to WILDLIFE ACT.
