Maths? Dont Panic: Algebra and Geometry (Volume 2)

By Alison Joiner

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 220 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Maths Dont Panic! is a friendly guide to mathematics for students aged 11 to 14 (in school years 7 to 9), and particularly for their parents who want to help them, but are not quite sure how to do it. It is not a formal textbook. Each chapter covers a single topic and provides explanations, tips, memory aids, worked examples and exercises. Volume 1, covered basic arithmetic, with whole numbers and decimals. It included the use of fractions, percentages, indices, squares and cubes, series and many other topics. This volume, volume 2, covers Algebra and Geometry. It starts with the basic idea of simplifying calculations by substituting letters for numbers. It explains linear, quadratic and more complex equations. It shows you how to use graphs to solve problems. Geometry is a practical subject, used extensively by graphic designers, surveyors architects and builders. This book shows you how to use rulers, compasses and protractors to draw lines and angles, and to measure accurately Mathematics doesnt have to be learned. Once you understand the basic rules you will know how to use...
